ACCESSORIES

WIRELESS MODULES

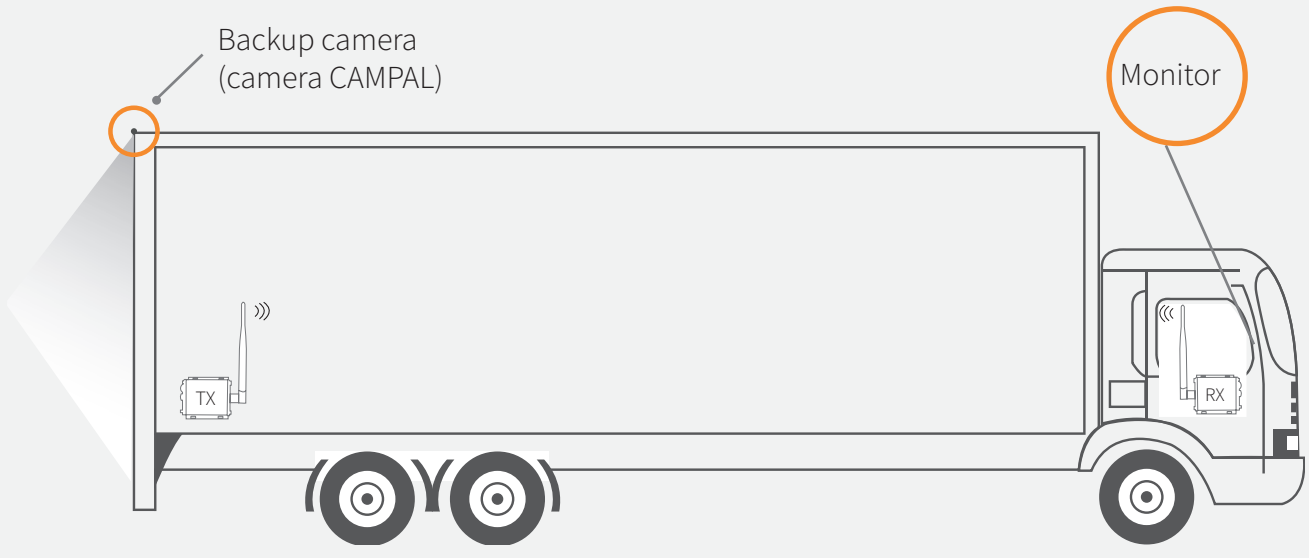

Upgrade your wired monitors and cameras with our modules onto wireless technology.
Our modules are robust and easy to use.

Connect the RX module (receiver) to your AMS monitor and the TX (Transmitter) module to your wired camera. There is then no extension cable needed between them. The modules are delivered in pairs.

Characteristics :

- Type of protection Solid / Liquid : IP67
- Temperature of functioning : -20°C +70°C
- Signal range 100-130 meters
- Waterproof and robust metal case
- Signal reception indicator
- Duplex digital radio signal
- External antenna in option
